

Who we are

Mission Statement

The **Evanston ReBuilding Warehouse** is a non-profit organization that promotes reduction of waste in landfills through sustainable deconstruction and renovation building practices. Reclaimed building materials are sold at our warehouse at low cost to the community and support our education, job-training and job-development programs which foster individual, community and economic growth in Evanston and beyond.

Donate

Consider donating your used building materials and appliances for a tax deduction. Call us for a list of what we accept.

Shop

For both the professional and the do-it-yourselfer, the Evanston ReBuilding Warehouse is the first place to visit for your renovation needs. And, because our inventory is donated, it is constantly changing! You never know what you'll find at the Evanston ReBuilding Warehouse, so visit often.

Volunteer

Volunteers help us keep our prices low by organizing and moving building materials. We provide an educational, fun and often physically exhilarating experience for volunteers. Let us know if you are interested in joining us for a volunteer project day.

Membership

By becoming an ERW Member you can:

HELP PROTECT THE ENVIRONMENT by helping us with our mission of reusing building materials instead of having them treated as waste and ending up in landfill.

SAVE MONEY and LEARN because you will receive a discount on merchandise, you will be entitled to reduced workshop/class fees, and you will receive e-mail notification of new items and our monthly newsletter

If you would like to achieve the above by joining us as a member for a year, please fill out and send with a check for the appropriate membership made payable to Evanston Rebuilding Warehouse, 1818 Dempster St., Evanston, Illinois, 60202. For more information, please call 847-864-9246.

Spread the Word

Please give us names/contact numbers of others who would be interested in **ERW**.

How can you help us and therefore help you, the community and the environment?

Donate & Shop:

- appliances
- cabinets
- doors
- electrical fixtures
- flooring
- hardware
- lumber
- moulding
- plumbing fixtures
- tiles
- windows

Donations

Receive a tax deduction for the reusable building materials donated to us. If you have questions about the materials we accept, please call us – we’re happy to help!

Purchases

Come to ERW first for your building material needs and experience the benefit of savings and selection and helping the community and environment simultaneously.

Members / Volunteers

People are the key to making ERW a success and we welcome involvement on all levels – as donors, members, volunteers, clients or trainers.

Together

You and ERW can work together.

Contractors

- Deconstruct during the renovation process and add value to your client by encouraging a tax deductible donation of the materials to ERW.
- Come to ERW and see the materials we have to fit your renovation or new construction project needs.

Homeowners

- If you have a renovation project planned and are looking for period-specific pieces to match your home, come see our supply of affordable and vintage building material for your renovation needs.
- If you have used building materials, you can donate them directly to ERW for a tax deductible donation.
- If you want to take learn about home construction projects and ideas for how to creatively use our reclaimed building materials for new purposes, we have classes that can train you in your areas of interest.
